

Half Windsor Knot

Symmetrical and Triangular. A knot you can use with any dress shirt.

1

Throw the wide end over the tight end - on the left.

2

Take it under the tight end - on the right.

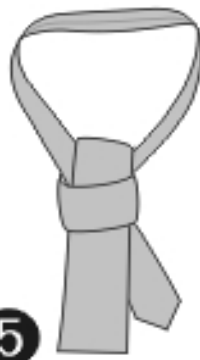

3

Return the wide end over the tight one - on the left.

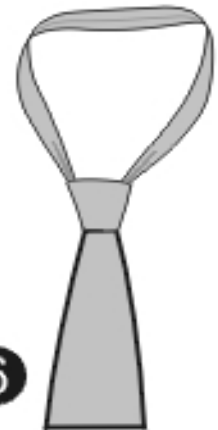

4

Push in the hole that is formed.

5

Push it in the ring that is formed in front.

6

Pull carefully and stroke the knot.
